

## WHY CHOOSE VANDRE GRAPHIC DESIGN?

- **Great looking design really builds business!**

The right corporate identity helps you attract customers. Vandre Graphic Design is experienced in working closely with businesses of all sizes to create designs that complement business objectives, from a simple logo to elaborate corporate identity packages.

- **Save time and money**

Our extensive experience in print production (including locally-owned Leader Printing) allows us to communicate very effectively with service bureaus, saving you both time and money.

- **Get exactly what you want**

We listen carefully to our clients and research each project diligently. We'll get to know your likes and dislikes, and your goals. Together, we'll come up with a schedule for your project. We can also suggest ways to lower printing costs without sacrificing visual impact.

- **Responsive service**

Vandre Graphic Design is committed to communicating clearly—and often—with our clients. We treat each person with respect and concern. We'll answer all of your questions promptly and keep you informed throughout the entire design process.

- **Informed decision making**

We believe that knowledge is power. The design world may be new territory for you. If it is, we will work to help you understand the processes and choices that are involved with each project.

## CLIENT TESTIMONIALS

*"It has been a pleasure to work with Vandre Graphic Design as we prepared a unique invitation for our annual fundraiser and a brochure featuring seven events in our children's Discovery Series. Vandre's work is very creative and she responded to our changes with efficiency. Her work is very thorough and detail-oriented. We loved the end results!"*

**Pat Guttenberg**

Executive Director

Council for the Performing Arts—Jefferson, WI

*"My experience with Sherry Vandre of Vandre Graphic Design, LLC has been very positive. Sherry was instrumental in changing the look, feel and usability of our church website. She has since gone on to work with our denomination's district office in website development. Sherry is extremely polished, professional and creative, and I have enjoyed working with her."*
