

# ¡A CONVERSAR!

1

**¡A Conversar!** is an innovative, four-level Spanish conversation course that incorporates cooperative learning, role-playing, storytelling, and cross-cultural discussions to promote an interactive, student-centered learning experience. While grammar is introduced slowly over the four levels, the focus is on getting students to speak, NOT memorizing rules.

The Level 1 introductory course has been designed specifically for the adult learner who has never formally studied Spanish or for those who have traveled or studied a bit, but struggle to form sentences. The Level 1 course covers:

- Greetings and introductions
- Colors
- Numbers
- Basic food ingredients & cooking actions
- Parts of the body
- Spanish pronunciation
- Likes/dislikes
- Family
- Time
- Small talk
- Prices
- Simple conversational language
